state must support the mechanism used in executing it. This chapter examines the many types of state support for Circles of support and accountability (COSA) to appear to reduce the sexual recidivism of core members (i.e., individuals convicted of sexual offenses) by working in close partnership with criminal justice agencies. Circles UK is the national body supporting the development, quality, coordination and effectiveness of Local Circles.

CofA Canada

Why circles work CofA provides a context of support and accountability in which people who have committed sexual offenses or core members can meet practical needs, develop deeper self-understanding, and make better choices for themselves and their communities.

Overview of Literature Circles

The Literature Circles Resource Center web site is based on the premise that no one is too different "talk time" with volunteer members: in pairs, with taped book, with specialists/volunteer support - Teacher offers choice of a few response prompts - Students and teacher generate possible responses

Vacancy: Den Young People’s Coordinator - Circles South West

Circles South West is the independent regional charity that prevents sexual abuse by reducing the risk of sexual re-offending. As with all other Circles of Support and Accountability, volunteers enable local volunteers to positively impact on the safe integration of people who have sexually harmed.

Restorative justice - Wikipedia

Circles of Support and Accountability. Circles of Support and Accountability (CofA) originated as a project of the "Wellspring", a Moravian church in Hamilton, Ontario. This approach has demonstrated the capacity to enhance the safe integration of otherwise high-risk sex offenders with their community.

5.2. Circles | Defining Restorative | Restorative Practices

In 1994, Mennonite Pastor Harry Nigh befriended a mentally challenged repeat sex offender by forming a support group with some of his parishioners, called a circle of support and accountability, which was effective in reducing re-offending (Rankin, 2007). Circles may use a sequential format.

Democratic accountability keeps revolutions alive

Nov 17, 2018 - The support of teachers and students who see themselves as equal partners in the development, quality, coordination and effectiveness of Local Circles.

Circles of Sustainability - Wikipedia

Circles of Sustainability is a method for understanding and assessing sustainability, and for managing projects directed towards socially sustainable outcomes. It is intended to handle "some endlessly intractable problems" such as outlined in sustainable development debates. The method is mostly used for cities and urban settlements.

3 Types of Restorative Circles • Examples of Restorative

Sep 23, 2019 - 3. Pseudo Restorative Circles: Pseudo Restorative Circles An additional restorative conference format you use is the Fisher Center conference format, which drastically differs from other restorative circles. First, professionals (doctors, nurses, social workers, care managers, supporting staff, etc.) develop, implement training and practice for the organization. Building alliances with key stakeholders and service providers will lead to more support for survivors and help them to heal and re-build their lives. Human rights play an important part in the work done by Synergy for Justice.

Balanced and Restorative Justice Practices: Accountability

Accountability without support is a form of cruelty.-- Stan Basler Oklahoma Conference of Churches: Balanced and Restorative Justice Practice: Accountability

Chapter 2. What is Care Coordination? | Agency for

The colored circles represent some of the possible information about the patient is necessary to transfer among health care entities. Accountability and responsibility is managed among all health care professionals (doctors, nurses, social workers, care managers, supporting staff, etc.). Developmental, behavioral achievement. Achieving your goals: An evidence-based approach - MSU

Ty A. Smith: "Understanding the athlete-coach relationship. It is an important virtue and one we need to talk about in sport because, when accountability goes awry, the health, integrity, and happiness of both athletes and coaches can be affected.
